The Season NOR and Sis are varied for fixed course racing as follows:

1. **The Start and Finish line** is between the centre of the Tower and X mark, leaving Y mark to the south. Start Signals will be made by a vessel near Y mark, but she is not part of the start line.
2. There will be a briefing for those available, 1 hour and 15 minutes before the scheduled warning signal.
3. The course selection will be posted on WhatsApp at the briefing and announced on VHF 30, 15 and 5 minutes before the scheduled warning signal.
