

# 2026 International Etchells Victorian Championship 13th to 15th March 2026

## Notice to Competitors – Vakaros RaceSense Pass

Please provide to the race committee a photo of your Vakaros Atlas 2 QR screen via the competitor What' App service. Please ensure that you have updated the Atlas 2 Firmware to the current version 28.5 prior to sending.

All competitors should also ensure they have current RaceSense Pass as the system will not allow Race Management to add your Atlas 2 to the Event without a current pass (either monthly or annual). This can be purchased through the Vakaros website:

<https://www.vakaros.com/products/month-pass>

or

[https://www.vakaros.com/products/racesense-annual-pass?selling\\_plan=5139824854&variant=46130771230934](https://www.vakaros.com/products/racesense-annual-pass?selling_plan=5139824854&variant=46130771230934)

Once the pass has been purchased, you will receive an email from Vakaros requesting your serial number via a form. Please check your junk mail.

If you have any issues, please contact Peter Robson on 0451 649 598.
