Subject: Request for Crew Substitution – Day 1

Dear Race Committee,

I am writing to request permission for a crew substitution for the first day of racing only, due to work commitments of a regular crew member.

- **Regular Crew Member (Unavailable Day 1):** Caitlin Shaw
- **Substitute Crew Member (Sailing Day 1 Only):** Jacqueline Harding
- **Reason:** Work commitments preventing attendance on the 11th. The regular crew member will rejoin the team for Day 2.

Weight Compliance:

The substitute is available to be officially weighed and confirmed by the event organisers at registration.

Thank you for your consideration.

OA Response on 1st September :

The request is approved for the crew substitution on day 1, on condition that Jacqueline Harding satisfies all eligibility requirements and completes official weigh in at registration, prior to commencement of racing.
